Commissioners discussed hiring Melissa Seamans as the recording secretary for the BOC

Commissioner Babson strongly believes hiring Melissa Seamans is a conflict because she works for the delegation. Commissioner Babson also feels she should not be taking non-public minutes.

Note: Under RSA 91-A:3, III. *Minutes of proceedings in nonpublic sessions shall be kept and the record of all actions shall be promptly made available for public inspection, except as provided in this section. Minutes and decisions reached in nonpublic session shall be publicly disclosed within 72 hours of the meeting, unless, by recorded vote of 2/3 of the members present, it is determined that divulgence of the information likely would affect adversely the reputation of any person other than a member of this board, or render the proposed action of the board ineffective, or pertain to terrorism. In the event of such circumstances, information may be withheld until, in the opinion of a majority of members, the aforesaid circumstances no longer apply.*
