Memorandum of Understanding

Between Carroll County Commissioners (Landlord) and Scout Groups (Access User) to utilize the County land for access to the Blueberry Field property to perform growing and cultivation operations, within the County land boundaries.

This Memorandum of Understanding (MOU) by and between Carroll County Commissioners and Carroll County Scout Groups (includes Scouts BSA, Girl Scouts, Cub Scouts, and Venturing Scouts in Carroll County), shall serve to document an agreement by the parties to allow Carroll County Scout Groups access to the county land for this particular operation.

The Carroll County Commissioners intend to provide the Scout Groups of Carroll County an opportunity for growing, cultivating, and processing cultivated blueberries. This MOU allows the Scouts complete access to the County Property off County Farm Road adjacent to the Blueberry Fields to cultivate, harvest and process cultivated blueberries, as well as camp and conduct outdoor scouting activities at no charge. This MOU will hold Carroll County harmless of any injuries that may occur while Scouts and persons associated with the Scouts are operating on County property. The Scouts shall furnish to the Commissioners adequate liability insurance, and shall name Carroll County as additional insured on said policy.

This MOU will expire three (3) years from the date of signing by the Landlord. If the Access User wishes to terminate prior to the end of this MOU, the Access User must send their request in writing to the Commissioners 90 days prior to terminating this MOU.
