

DPW HIGHLIGHT REPORT

Will DeWitte

May 19, 2021

- Mowing, mowing and more mowing!
- Still fixing lawns and working to make things look better
- 2520 tractor, main hydro pump rebuilt and back together
- Waiting on lumber to be milled for hay wagon repair project
- Bagged and sold some camp wood
- winter equipment all put away, oils changed and sprayed down with fluid film
- Hay fields all fertilized
- Hoping to start hay in the next several weeks, if weather cooperates
- A load of scrap metal went out last week, jail stuff included
- Knife valve project out in the pit, moving forward
- Curb stop in the village bent, will look into getting that dug up
- Maintaining water and wastewater systems
- 40,000 tank pumped, doing yearly cleaning on pumps in sewer plant
- Ford truck got under coated, looks nice
