

**DPW HIGHLIGHT REPORT**  
**Will DeWitte**  
**July 21, 2021**

- Rain, Rain and more rain!
- Not much haying getting done yet due to weather, just waiting for the sunshine
- Lawn mowing weekly
- Newly built Hay wagon from our own lumber
- Cleaning up some older logs and making firewood out of them
- Trimming back tree on the edges of hay fields as we go
- A load of scrap metal went out last week, working on cleaning up that scrap behind the annex
- Knife valve rebuilt out in the pit
- Maintaining water and wastewater systems
- Water system down for a short while last week due to a bad transducer in water tank, been replaced and all back running normal
- Education on the new hydrants, prices for that, looking to move forward
- Working next on the new metering system/meters
- Underwood contract to be signed
