To: Carroll County Commissioners

Dear Commissioners,

Please accept this letter as formal notification that I am resigning from my position as Carroll County Superintendent. My last day will be August 31, 2020.

Thank you so much for the opportunity to work for the county for almost seven years. I've greatly enjoyed and appreciated the opportunities I've had. In my time here, I was able to start an in-house treatment program, brought in grants and revenue that the county had never received before. Working with the Commissioners and Delegation, we were able to negotiate three contracts that have helped to stabilize the staffing at the jail.

I will miss many people around the complex and the community. Carroll County is a beautiful area with excellent, hard-working individuals. I'll do everything possible to wrap up my duties and train other staff members over the next weeks. Please let me know if there's anything else I can do to help during this transition.

I will still be available to help the county and new Superintendent after I depart. I will be working in the state in the capacity as a Superintendent at Rockingham County. I wish Carroll County continued success, and I hope to stay in touch in the future.

Sincerely,

Jason M. Henry
