Notes:

* Round 5 (Oct '19 – May '20) funding is not project based but does require accepting partners to contribute to the region's success in meeting targets that drive the amount of incentive payments earned collectively. Funding offers are currently under consideration by several partners in Carroll County.

**Training & Technology Funds are available to partners on an ongoing basis. For reference, the dates of use are included in the project description for each instance of Training & Technology funding provided to a Carroll Country partner.
