Subject: General Comments to Carroll County Please include any questions or comments: The Tamworth Board of Selectmen are concerned with the auditor Sheryl Burke's correspondence of August 12, 2020 to Melissa Seamans regarding the issues preventing or at a minimum delaying the audit. The Board wants a response from the Commissioners regarding the issues raised and what is being done to address these. The concerns are two-fold. First the possibility tax rate setting will be delayed. Second the delay in addressing an possible financial mismanagement or worse. There is a reason why timely audits are important. Transparency and good government require better than the issues this letter raise. The Board requests a reply.
