## Loading Dock Approach Reconstruction

6/5/2020

Commissioners,

On Wednesday 6/3/2020, the Carroll County Commissioners received and opened two competitive bids in response to an RFP advertised per County policy.

The two bids received were from:

G.W. Brooks and son, Freedom, NH for a sum of **\$34,918.00**

\*\*Please note that G.W. Brooks provided an alternative quote on pg. 2 of their proposal, with different asphalt thicknesses (higher cost).

GMI Asphalt, Belmont, NH for a sum of **\$56,800.00**

After review of the bids, I have determined that both proposals meet the specifications required in the RFP, and are valid bids. However, there is a large disparity in quoted prices.

Therefore, with all other items being equal, I recommend G. W. Brooks of Freedom, NH, accepting pg.1 of their proposal, as the preferred vendor, for a sum not to exceed **\$34,918.00**.

Respectfully submitted,

Bob Murray  
Director of Maintenance, Carroll County Facilities
