Request for Proposals Pavement Replacement and Improvement

Carroll County Department of Public Works is seeking proposals for pavement replacement and improvements in front of the DPW shop at 30 County Farm Rd. with the following specifics:

Bid/Price #1

Total area 50ft x 60ft

- Remove existing pavement and dispose off-site
- Excavate expansion area to a depth of 14in (expansion area to be 15ft x 24ft)
- Supply and install 14in crushed gravel compacted in place
- Shim area with gravel as needed
- Fine grade and compact
- Supply and install machine pave asphalt at 3.5 inches compacted (2.0in binder/1.5in wearing course)

Bid/Price #2

Total area 50ft x 60ft

- Supply and install 14in crushed gravel compacted in place for expansion area (15ft x 24ft)
- Shim area with gravel as needed
- Fine grade and compact
- Supply and install machine pave asphalt at 3.5 inches compacted (2.0in binder/1.5in wearing course)

Carroll County Commissioners reserve the right to reject any and all bids and award bids most advantageous to the County.

Clarification or questions for the proposal shall be directed to:

Will DeWitte
DPW Director
95 Water Village Rd.
Box 1
