Subject: *Misconduct Settlements*

To Whom It May Concern:

I'm writing you with a request made pursuant to Part 1, Article 8 of the New Hampshire Constitution and New Hampshire's Right to Know Law codified at RSA 91-A et seq.

- **NHPR requests records of all settlements reached between the County Sheriff's office and individuals over claims of civil rights violations between January 2010 and June 1, 2020**
 - **By way of clarification, this request should include, at a minimum, the name of the individual who received the settlement, the dollar amount of the settlement, and the date of settlement**
 - **This request should include settlements reached involving alleged civil rights violations including, but not limited to, claims of excessive force, assault and battery, beatings, shootings, false arrest, false prosecution, racial profiling and wrongful imprisonment**

According to New Hampshire RSA 91-A:4, public bodies must respond within 5 days to such Right-to-know requests. Please contact me via email if you have any questions.

Sincerely,
